

Dell recommends Windows Vista™ Business.

INTRODUCING THE NEW DELL LATITUDE D630

Ideal for business people who need a slim, light and attractively designed notebook with a full range of features, long battery life and excellent performance.

The Dell Latitude D630 is designed to deliver an outstanding mix of performance, graphics and mobility — all packed into a compact, lightweight notebook. The D630 improves on the award winning D620 by incorporating the latest generation of Intel Chipset, Processor, and Wireless Technologies which includes the Dell 5520 High Speed 3,6Ghz HSDPA Tri-Band Embedded Mobile Broadband Card.

The Latitude D630 comes preloaded with Microsoft® Windows Vista® Business. For your convenience Microsoft® Windows® XP Professional has also been included should you wish to downgrade your operating system. This innovatively designed notebook delivers exceptional performance and is backed by Dell's World Class Service and Support for absolute piece of mind computing.

PREMIUM SUPPORT FOR A PREMIUM PRODUCT - DELL LATITUDE NOTEBOOKS!

Below you will find valuable information pertaining to the support of your Dell Notebook and your connection to the Vodacom Network.

Dell's 3-Year International Next Business Day On-Site Warranty includes, from the date of delivery, a support service designed to assist in giving you peace of mind. This service offers you three levels of support that includes the following:

1. 24/7 Comprehensive online support via Dell's standard support website. Troubleshooting information and problem diagnostic tools and downloads are available here on <http://support.euro.dell.com>.
2. Telephonic Technical Support to assist with troubleshooting problems on your Dell hardware and Dell factory installed operating systems application software and drivers.
3. International, Next Business Day On-site Service covering the labour and the repair (or replacement) of parts in the notebook - including the monitor, keyboard and mouse (if not ordered separately) - after confirmed diagnosis with Dell Technical Support.

When will I call Dell?

- Any hardware related issues for example the notebook screen, hard disk etc. (This includes the 3G HSDPA Data Card included in the system.)
- When calling Dell, please keep the Dell Service Tag handy as you will be required to quote the number on the tag to Dell Service agent. (The Service Tag is a white label which is located at the bottom of your notebook.)

When will I call Vodacom?

- Should you not be able to connect to the Vodacom Network for any reason including SIM or signal related problems.
